GENERAL:

The Bachelor of Science in public health prepares students to become effective health educators who promote and sustain health and wellness for individuals, communities, and populations. Graduates of the Public Health Program become employed in a variety of settings, including government agencies, non-profit organizations, worksites, and healthcare.

COMMUNITY COLLEGE NOTES:

SALISBURY NOTES:

SU has a strong institutional commitment to diversity and nondiscrimination in all programs, events, and services. To that end, the University prohibits discrimination on the basis of sex, gender, marital status, pregnancy, race, color, ethnicity, national origin, age, disability, genetic information, religion, sexual orientation, gender identity or expression, veteran status or other legally protected characteristics. Direct all inquiries regarding the nondiscrimination policy to the Office of Institutional Equity/Title IX Coordinator, Holloway Hall 100, 410-543-6426.
