**between**

**Delaware Technical and Community College  
and  
Salisbury University**

**for**

**A.A.S. Elementary Education/B.S. Early Childhood Education**

## **AGREEMENT**

**WHEREAS** Delaware Technical and Community College and Salisbury University are committed to expanding educational opportunities for the citizens of the State of Delaware, and

**WHEREAS** the two institutions are committed to providing a smooth transition for students wishing to earn an associate degree and a baccalaureate degree, and

**WHEREAS** the intent of the two institutions is to avoid duplication of curricula where appropriate within articulated programs of study, and

**WHEREAS** the two institutions better serve the educational growth of students and the economic development of the community through cooperative educational planning and optimal utilization of community resources,

**BE IT HEREWITH RESOLVED** that this agreement commits the partners to full support of an articulation process between similar academic programs offered by the two institutions.

## PROVISIONS OF THE AGREEMENT

1. The institutions agree to follow the connected degree curriculums delineated in this document for the transfer of Delaware Tech's Associate Degree Program in Elementary Education and Salisbury University's Bachelor of Science Degree program in Early Childhood Education.
2. Both educational institutions will cooperate toward developing, disseminating, and presenting the articulated program information to students.
3. Graduates of the Delaware Tech program who have completed the associate degree with a cumulative grade point average of 2.0 or higher will automatically be accepted into the baccalaureate program at Salisbury University.
4. Students must complete the courses in the specified associate degree program herein with a grade of C or better to receive the credits for transfer.
5. Students intending to transfer should complete the admissions application for Salisbury University following the third semester of their associate degree program.
6. Students are subject to all the policies and procedures of both institutions.
7. Students are subject to all specific policies pertaining to students admitted to the Early Childhood Education Bachelor's Degree Program.
8. This articulation agreement is based on the present curricula contained in this document and it is effective for a period of three years from the date of signing by both parties.
9. Both institutions at any time may initiate changes to this articulation agreement. Both institutions reserve the right to modify the programs as deemed necessary and agree to inform the appropriate individuals of said changes. The senior institution will make a good faith effort to honor the articulation agreement in effect at the time a student is admitted to the Elementary Education Associate Degree Program.

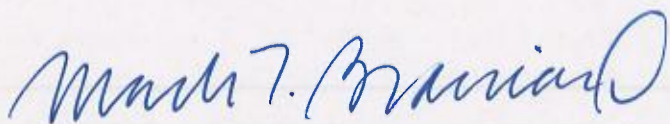

## APPROVAL

This program articulation agreement is between Delaware Technical and Community College's Associate of Applied Science Degree in Elementary Education and Salisbury University's Bachelor of Science Degree in Early Childhood Education.

Approval is granted for a period of three years effective on the date both parties have signed this agreement.
